**Health**

This tour is not strenuous, though there are days when quite a deal of walking is required, and often on cobblestoned streets, or over ancient stoney sites – please consider your individual capabilities in this regard. The tour is not rushed and will be conducted to please all passengers if possible. The nature of the touring determines that we have a number of one-night only stopovers (Canakkale, Bursa, Kalambaka, Delphi, Olympia). We are not planning very early morning starts, though there are days when several hours will of necessity need to be spent in travelling.

If you require any information regarding the performance of sightseeing etc on this tour, we would be happy to clarify.
