Depending on the routing of airline you choose, it is possible to arrange for stopovers en route.

Should the tour numbers not reach the minimum required to obtain the quoted price, the tour may have to be cancelled. In this case a full refund of monies paid would be offered, or alternatively, the group as booked would be offered the option to proceed with the tour at a price to cover the reduced numbers.

Deposit

A deposit of \$500 per person is required to confirm a place on the tour. Please consider Cancellation Insurance at this time, as this deposit is non-refundable except under extreme circumstances.

Balance of Payment

Full payment of the balance of the tour cost will be due and payable by 10 March 2012. After that date all unused accommodation will be released to the overseas suppliers, and late applications to join the tour will be possible only upon request and consultation with the various overseas suppliers and the airline concerned.

Airline Schedules

As the operation of airline schedules is beyond our control, should we be notified of a change to our reserved flights we will immediately advise all passengers and either (a) arrange bookings with an alternative carrier; or (b) make adjustments to the itinerary to accommodate the flight changes.

Health

This tour is not strenuous, though there are days when quite a deal of walking is required, and often on cobblestoned streets, or over ancient stoney sites – please consider your individual capabilities in this regard. The tour is not rushed and will be conducted to please all passengers if possible. The nature of the touring determines that we have a number of one-night only stopovers (Canakkale, Bursa, Kalambaka, Delphi, Olympia). We are not planning very early morning starts, though there are days when several hours will of necessity need to be spent in travelling.

If you require any information regarding the performance of sightseeing etc on this tour, we would be happy to clarify.
